

6 Bedroom Villa for Sale in Mojácar

824,990€

Holmes for Homes are delighted to present to you this beautiful 4/6 bedroom, 6 bathroom, four-storey villa with private swimming pool and incredible views of the Mojácar coastline.

The property is also just a few minutes walk away from the beach and all the amenities such as bars, restaurants and shops etc.

Through the gated entrance, you are at the very top of the property, which leads into a large parking area that is sufficient for 4 or 5 vehicles.

As you enter the front door, you come into a hallway which is the top floor. This consists of the entrance hallway and staircase, plus a large room currently used as an office, with massive glass area and terrace.

Heading down the staircase to the next floor, which is where one of the two main living spaces of the property are located, this is an area divided into rooms, consisting of living room, dining room and kitchen, with an open archway into each room. There is access from both kitchen and living room out onto a further large terrace, with the same outstanding views. Also situated on this floor is a toilet room, as well as a bedroom with dressing area and en-suite bathroom.

Continuing down the stairs leads to the next floor, this being used currently as sleeping accommodation. There are a total of three incredibly spacious bedrooms here, all of which have en-suite bathrooms and one with a walk-in wardrobe space. Again, as with all other floors, there is a further terrace offering brilliant outdoor living and dining.
