

4 Bedroom Villa for Sale in Mojácar

950,000€

? A ROMANTIC MOJÁCAR HOME WITH BEAUTIFUL MEDITERRANEAN VIEWS

A beautiful home created for the Mediterranean lifestyle, wonderful sea views, privacy, generous indoor and outdoor living, a private pool and jacuzzi, all less than five minutes' walk from the beach and close to restaurants.

There are houses that happen to be close to the sea, and there are homes where the Mediterranean becomes part of everyday life.

This is very much the latter.

From waking to beautiful sea views and enjoying morning coffee outside, to afternoons around the pool and long evenings dining with friends, this is a home that captures the relaxed and romantic character of life in Mojácar.

With four bedrooms and four bathrooms, generous living spaces and a wonderful relationship between indoors and out, the villa offers space and privacy while retaining the warmth and character of a genuine home.

WAKE UP TO THE MEDITERRANEAN

Perhaps the defining feature of the villa is its relationship with the sea.

Beautiful open views fill the home with light and create an immediate feeling of space and tranquillity. The Mediterranean is not simply something glimpsed from a terrace - it forms part of the backdrop to everyday life.

Wake to the blue of the sea, open the doors to the morning air and enjoy the extraordinary privilege of living somewhere that immediately feels like an escape.

A HOME MADE FOR OUTDOOR LIVING

Life here naturally moves outside.

The private swimming pool, jacuzzi and generous terraces create different spaces for different moments of the day - quiet mornings in the sunshine, lazy afternoons beside the pool, lunch with friends or dinner outdoors as the light changes across the Mediterranean
