

2 Bedroom Villa for Sale in Mojácar

449,000€

Calle Suiza : A rare opportunity to purchase a refurbished villa with sea views and just 200 metres from the beach (and promenade) in the exclusive Indalo Mountain area of Mojacar Playa.

This south east facing front-line property has stunning sea views from the terrace, with a glass wall on part of the wall perfectly showcasing the views, and a good-sized solarium. The solarium has large solar panels which provide a permanent source of hot water to the villa.

On the terrace the current owners have installed a large glass enclosure/sun room (4.1 m X 4.1 m X 2.7 m) with sliding frameless glass doors and motorised blinds, making an extra room adjoining the lounge with sea views for all year usage.

There is a pretty low maintenance garden with pomegranate and pear trees.

There is both air conditioning and heating in the lounge and main bedroom plus high-speed ceiling fans in all rooms.

The two double bedrooms are complemented by a third smaller room which, although currently used as a study, could accommodate a sofa bed and small table.

The huge double garage enables off the road parking for two cars plus extensive storage facilities.
