It is known throughout Spain as the Corner of Enchantment for its unique character and micro-climate. Although only a small seaside town Mojácar offers 2 quality links golf courses and several other golf courses are only a short drive away.

There is no high-rise building to obscure the sea or the views, nor will there be; earlier edicts have ensured that this lovely area will remain as natural as possible. It is for this reason that Mojácar is known as the 'Corner of Enchantment'. Located on the south-east coast of Andalusia, and surrounded by designated areas of natural beauty, Mojácar is an ideal venue which offers solitary beaches, restaurants, trendy chiringuitos-beach bars, street cafés
