

Land for Sale in Velez-Blanco

39,000€

A unique opportunity to own a 65m² built agricultural building (nave) enclosed by 5000m² of very productive agricultural land.

Situated within walking distance of the centre of the gorgeous and picturesque Velez Blanco village, north of Almeria, this project offers the true country lover an ideal chance to engage in true country pursuits at a very reasonable purchase price.

The nave consists of two adjacent rooms, both in a very good condition with the bigger one having a built in fire place.

The land is planted in its entirety by matured almond trees and has been regularly plowed, as can be seen and by the photos and includes a water right to a nearby water well currently 5.5 hours every 25 days.

A wonderful project for sell at only 39000euros.
