

0 Bedroom Country House for Sale in Fontanares

79,500€

A wonderful 10hectares plot of land plus a large farmhouse y corrales in excess of 400m2 built , in need of total renovation.

Situated in the west of the Murcia region bordering with the villages of Velez Rubio and Velez Blanco, north of Almeria.

The land as can be seen, is in extremely good condition been regularly plowed and is planted in its entirety with matured and well maintained organic almond trees with a transferable yearly subsidy for its maintenance.

There are two water well on site both registered with the water board.

This very large farmhouse would make a wonderful home for the truly nature lover, with plenty of scope for some comercial activities such as rural tourism, nature walking, the scenery is absolutely breathtaking.

A wonderful project for that enterprising individual for only 79500euros
