

3 Bedroom Country House for Sale in Fontanares

95,000€

A wonderful opportunity to purchase a reformed country house with several outbuildings and plots of land, totaling some 7000m².

This large family property consists of the main terrace house of some 150m² built, a nearby detached garage and adjacent (corrales) animal rooms of some 100m² built enclosed by 1000m² of land, a further corrales of some 40m² enclosed by small plot of land and, a further 3 large plots of land adjacent to each other planted in its entirety by matured olive trees, so no shortage of olive oil there.

The main house is habitable and consists of -

Downstairs - Large light and airy lounge/ dining room enclosing a fully fitted kitchenette, a comfortable lounge, 3 good sized bedrooms, bathroom/shower room and a large storeroom which would extend the house considerably.
