Partially Reformed Cortijo situated on two and a half hectares of land in the hills to the north of Taberno. The cortijo itself is a spacious 160m² but currently only configured with two bedrooms and two bathrooms however with this amount of space there is always the option of reconfiguring. Its also worth bearing in mind that there is also a 50m² garage attached to the cortijo so you could always extend the accommodation into that space if required.
