

3 Bedroom Villa for Sale in Taberno

129,950€

VH2585 Is an immaculate recently decorated spacious 3 bed, 1 bath villa located in the traditional, pretty white washed village of Taberno walking distance to a couple of mini supermarkets, 2 restaurants, chemist, doctors, Friday street market and school.

The village also has its own large open air swimming pool for the summer months and tennis court.

The road you can see in the photo is not a through road so you will have no passing traffic.

The property flows as follows: You enter into a hallway with a double bedroom to the left, to your right is the garage (this is where the washing machine and boiler are stored). There is plenty of parking on this quiet road so if you wanted to, the garage could be converted into another room/bedroom.

Further on down the hall way, to the right you have the large kitchen with fire place. You then have a walk through pantry room and a large storage room or what could be office space/craft room. Further on you have an enclosed patio area with a door that leads out to the side of the property.

Back from the hall way you have the lounge / dining room and a further 2 bedrooms and family bathroom with shower.

Water and electric are connected. The property has double glazed windows with pull down blinds and attractive window grills. All bedrooms have hot and cold A/C
