Whether you are selling a beachside villa or buying an investment apartment, our cross-coast presence ensures your transaction is optimized for both market value and modern energy efficiency.
Forward-Thinking Leadership: Driving Assets, Not Obligations
In 2026, Niall McCann assumed leadership of VIP Almería, bringing a high-calibre background with premium global leaders such as BMW. Applying the same precision, innovation, and client-centric standards expected in the luxury automotive sector, Niall's vision is focused on future-proofing our clients' real estate portfolios.
Under his direction, VIP Almería is heavily focused on navigating the upcoming European Union 2030 Energy Performance of Buildings Directive (EPBD). Our absolute priority is to ensure that your Spanish property remains a highly lucrative financial asset, rather than turning into a costly regulatory obligation.
