

5 Bedroom Villa for Sale in Turre

395,000€

Fantastic town centre villa constructed in 2006 using high quality and individually picked materials.

With a building size of 279.87M2, this large property is a rare gem. Waking distance to all of Turre services and amenities. Only a short distance from property to Mojacar's Parque commercial centre and beaches - 7.3 km (12minutes drive) with easy public transportation if you do not want to drive.

Entry at street level into the grand entrance hallway mixes history and Arab art with unique attention to detail utilising the large spaces with luminosity. The curved landing and sweeping staircase sets the tone for something very special. Consisting of 5 bedrooms with 3 bathrooms over 2 levels, this spacious house would make a fantastic multigenerational home. With its South-east orientation, the outlook to the natural park of the Sierra Cabrera. The property sits on a plot of 288.42m2 with a private courtyard, enclosed garage with an automated door and electric points for car charging. The property has pre-installation of central heating with diesel tank should it be a personal requirement. The design and placement of materials were carefully researched and sourced such as marble floor with bevelled edges, Andalusian-style bathroom with handmade ceramic floors from Fajalauza, Macael marble countertops in the kitchen, Alhambra styled feature over the staircase from the family bathroom to the stunning wooden beams fitted.

This property shows quality with many points of interest that tell a story. This is a unique property for this area and has no comparisons.

The lifestyle with this type of property offers privacy however the option to integrate into four popular villages and within 15 minutes' drive to Vera, Mojacar, Garrucha.

Turre being so close by providing all your daily needs, including supermarkets, banks, doctors' surgery and a great variety of bars, restaurants & shops.

It is an easy drive from the beach of Mojacar and offers the best of both worlds living in the valley with the backdro
